

REACH-Declaration of Conformity according to REACH regulation (EC) No 1907/2006

BD|SENSORS GmbH hereby confirms that in the products supplied by our company, no substance of very high concern (SVHC) listed on the Candidate List (last ECHA update 25.06.2020, 209 substances) exceeds 0.1% in accordance with the article 33 of the REACH regulation (EC) No 1907/2006.

The EU suppliers of products, that are processed in relevant size in our devices are also obliged to inform us unsolicited if the products they supply contain an SVHC substance above 0.1%. As soon as we receive information from our suppliers and determine that our products will exceed the 0.1 mass percentage threshold for an SVHC substance, we will inform you without being asked. In addition, we confirm in writing from all relevant EU suppliers that no SVHC substances > 0.1% are included in the delivered products.

Furthermore, we make separate agreements with all non-EU suppliers of products processed in relevant size in our devices. We hereby assure ourselves in writing that we will be informed immediately if the 0.1 mass percentage threshold for an SVHC substance is exceeded in a product delivered to our company.
